Dan Totten replied to an action item in HP 2.0

Dan Totten

> WHEREAS: HP is also the exclusive provider of servers Israel uses to run a population registry that contains biometric data on Palestinians and is used to restrict Palestinian freedom of movement; HP Inc. is the exclusive provider of personal computers to the Israeli Defense Force (IDF), which enforces Israel's military blockade of the Gaza Strip, denying Palestinians in the Gaza strip equal access to water and healthcare, and which occupies the Palestinian West Bank and East Jerusalem facilitating the expansion of Israeli settlements on Palestinian land, illegal under international law; HPE provides technologies used in Israel's prison system, in which thousands of Palestinian children and adults are regularly detained indefinitely and/or without charge after trials in military courts administered by the IDF that have a 99.7% conviction rate;

Dan Totten
just need to shorten this

Dan Totten
highlighted in Salmon is my attempt to summarize it without directly mentioning Israel. I'll let you decide where and how often to sprinkle that in
